Safety Instruction Guide for 308 AR GAS BUSTER CHARGING HANDLE

Introduction

Thank you for choosing the 308 AR Gas Buster Charging Handle by Precision Reflex. This guide provides essential safety instructions and guidelines to ensure the proper use and maintenance of your product. Please read this document carefully to maximize safety and performance.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the charging handle is installed correctly before use.
- Keep the charging handle and firearm out of reach of children and unauthorized persons.
- Inspect the charging handle for any signs of damage before each use.
- Use only compatible firearms as specified in the product details.
- Follow all local laws and regulations regarding firearm usage and accessories.

Specific Safety Precautions for Use

- The gas deflection groove is designed to protect the shooter from gas blowback. Always position yourself behind the charging handle when operating.
- Extended finger latches are provided for fast jam clearing. Ensure your fingers are clear of the action when using the latches.
- Do not attempt to modify or alter the charging handle in any way, as this may compromise safety and functionality.
- Always wear appropriate eye and ear protection when operating your firearm.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from the firearm if applicable.
- Align the 308 AR Gas Buster Charging Handle with the receiver and insert it into place.
- Confirm that the charging handle is seated properly and functions smoothly.

2. Usage:

- To charge the firearm, grasp the extended finger latches firmly.
- Pull the charging handle back fully to ensure proper chambering of the round.
- Release the charging handle gently to allow it to return to its forward position.
- Always check the chamber to confirm that a round has been properly chambered before firing.

Disposal Instructions

- Dispose of the charging handle according to local regulations for metal recycling.
- Do not dispose of any firearm parts in regular household waste.
- Ensure that the charging handle is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please reach out to your local authorized dealer or the manufacturer. It is essential to have access to accurate and reliable information regarding your product.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your 308 AR Gas Buster Charging Handle. Always prioritize safety and compliance with local laws when handling firearms and their accessories. Thank you for your attention to these important safety measures.
