## Smooth, Top Grain Leather-U.S. Made

Gorgeous, handmade, smooth leather bench bags that allow rifle to slide freely during recoil. Made from 3-3½ oz., top grain cowhide, finished in a beautiful cork color. Bag bottoms made from same leather but sueded for a good grip on rest or bench. DuPont nylon stitching won't rot or mildew. Bags with a C suffix have a smooth sliding, Cordura bag with a suede base and tie-down tabs to stay in position on the rest. Brass eyelets won't corrode or abrade the tie-down. Superb! NOTE: Bags shipped empty. Fill with sand or lead shot that you provide. Rabbit Ear Rear Bag can be used with all front bags. Slopes to match stock angle; ears prevent side shift.
