## Brightly Colored "Dummies" For Training Exercises

Brightly colored plastic and a different "feel" makes sure you won't confuse these for live rounds. Popular with many departments and agencies for use in Immediate Action training for just that reason. These do not duplicate weight and balance of loaded rounds or function-testing dummies.

# SAFTTRAINERS DUMMY ROUNDS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SAFTTRAINERS Dummy Rounds by Precision Gun Specialties. These brightly colored plastic dummy rounds are designed for safe training and practice. This guide provides important safety instructions to ensure the safe and effective use of the product in accordance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat dummy rounds as if they were live ammunition.
- Ensure that dummy rounds are stored out of reach of children and vulnerable individuals.
- Regularly inspect dummy rounds for any signs of wear or damage before use.
- Do not use dummy rounds in any firearm that is not designed for their specific caliber.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Identification of Hazards:

- Potential confusion with live ammunition.
- Risk of misuse in firearms not designed for dummy rounds.

### • Avoiding Hazards:

- Always verify the type of ammunition before handling.
- Use dummy rounds only in a controlled training environment.
- Ensure that all participants in training are aware that dummy rounds are in use.

### • Audience Specific Warnings:

- Keep dummy rounds away from children and pets.
- Use under adult supervision if used by minors.

## Instructions for Installation and Usage

### • Installation:

- No installation is required. Simply remove the dummy rounds from the packaging.

### • Usage Instructions:

- Load the dummy rounds into the firearm just as you would with live ammunition.
- Use dummy rounds for training exercises, drills, and practice sessions only.
- After use, unload the dummy rounds and store them in a safe location.

## Disposal Instructions

- Dispose of dummy rounds in accordance with local regulations.
- If the product is damaged or no longer needed, do not throw them in regular trash. Instead, check for

local recycling programs or hazardous waste disposal options.
