

SAF-T-TRAINERS DUMMY ROUNDS - PRECISION GUN SPECIALTIES

30-06 SPRINGFIELD ORANGE DUMMY ROUNDS 10/PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

Brightly Colored "Dummies" For Training Exercises

Brightly colored plastic and a different "feel" makes sure you won't confuse these for live rounds. Popular with many departments and agencies for use in Immediate Action training for just that reason. These do not duplicate weight and balance of loaded rounds or function-testing dummies.

Attributes

- Name: [PRECISION GUN SPECIALTIES 30-06 SPRINGFIELD ORANGE DUMMY ROUNDS 10/PACK](#)
- Manufacturer: [PRECISION GUN SPECIALTIES](#)
- Product no.: 729000046

SAFTTRAINERS Dummy Rounds Safety Instruction Guide

Introduction

Thank you for choosing SAFTTRAINERS Dummy Rounds by Precision Gun Specialties. This guide provides essential safety instructions and guidelines for the proper use and handling of our dummy rounds designed for training purposes. Please read this document carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that all users of the dummy rounds are trained in firearm safety and handling.
- Always treat dummy rounds with the same respect and caution as live ammunition.
- Keep dummy rounds out of reach of children and unauthorized personnel.
- Regularly check for wear and damage to the dummy rounds before use.
- Report any instances of misuse or accidents to the appropriate authorities.
- Stay updated on any product recalls or safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use dummy rounds in any livefire scenarios.
- Avoid using dummy rounds in firearms that are not designed for them.
- Do not modify or tamper with the dummy rounds in any way.
- Always verify that the firearm is unloaded before inserting dummy rounds.
- Use dummy rounds in a controlled environment to prevent confusion with live ammunition.
- Supervise all training sessions to ensure safe practices are followed.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the firearm is pointed in a safe direction.
 - Open the action of the firearm to check that it is unloaded.
 - Insert the dummy rounds into the magazine or chamber as you would with live ammunition.
- **Usage:**
 - Use dummy rounds for training exercises, drills, and simulations.
 - Do not use dummy rounds for any purpose other than training.
 - After training, remove all dummy rounds from the firearm and store them safely.

Disposal Instructions

- Dummy rounds should be disposed of in accordance with local regulations for plastic waste.
- Do not dispose of dummy rounds in regular household trash.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SAFTTRAINERS Dummy Rounds, please refer to your retailer or the manufacturer for assistance. Always ensure you have the most current information regarding product safety and usage.

Conclusion

By following these safety guidelines and instructions, you contribute to a safer training environment for yourself and others. Thank you for prioritizing safety while using SAFTTRAINERS Dummy Rounds.
