Safety Instruction Guide for S&W Hideout Revolver Grips

Introduction

Thank you for purchasing the S&W Hideout Revolver Grips by Precision Gun Specialties. This guide provides essential safety instructions and guidelines to ensure the safe use of your new grips. Please read the entire guide carefully before installation and use.

General Safety Guidelines

- Ensure that the grips are compatible with your specific firearm model (J, K, or L frame, round butt only).
- Always handle firearms with care and follow all standard safety practices.
- Regularly inspect the grips for any signs of wear or damage. Replace them if necessary.
- Keep the grips away from children and unauthorized users.
- When not in use, store your firearm securely and out of reach of children.

Specific Safety Precautions for Use

- Do not use the grips if they show any signs of cracks, significant wear, or other damage.
- Ensure that the grips are properly installed before using the firearm.
- Avoid using the firearm in adverse weather conditions that may affect the performance of the grips.
- Ensure a proper grip on the firearm at all times to maintain control and prevent accidents.

Instructions for Installation and Usage

Installation

1. **Remove the Existing Grips:** Carefully unscrew the existing grips from your firearm using the appropriate tool.
2. **Align the New Grips:** Position the new S&W Hideout Grips against the frame of your firearm. Ensure they fit snugly and align with the mounting holes.
3. **Secure the Grips:** Using the screws provided, fasten the new grips onto the firearm. Ensure they are tightened securely but do not overtighten.
4. **Check Fit and Comfort:** Once installed, check the fit and comfort of the grips. Make any necessary adjustments.

Usage

- Always ensure your firearm is unloaded before handling or installing the grips.
- Practice proper firearm handling techniques, including keeping the muzzle pointed in a safe direction.
- Familiarize yourself with the grip's feel and adjust your grip technique as necessary for optimal control.

Disposal Instructions

- Dispose of any old grips and packaging materials in accordance with local waste disposal regulations.
- If the grips are damaged, do not attempt to repair them; dispose of them safely.
