Safety Instruction Guide for S&W HIDEOUT REVOLVER GRIPS

Introduction

Thank you for choosing the S&W HIDEOUT REVOLVER GRIPS by Precision Gun Specialties. This product is designed to enhance your shooting experience by providing improved comfort and control. It is essential to follow safety guidelines to ensure proper use and to minimize risks associated with the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grips.
- Inspect the grips for any signs of damage or defects before use. Do not use if damaged.
- Keep the grips out of reach of children and vulnerable individuals.
- Adhere to all local laws and regulations regarding firearm accessories.
- Use the grips only with compatible firearm models (J, K, and L frame, round butt only).
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure a secure grip on the firearm at all times to prevent accidental discharge.
- Avoid using the grips in wet or slippery conditions, as this may affect grip performance.
- Be cautious when switching between grip styles (standard or finger groove) to ensure proper fit and comfort.
- If you experience discomfort or difficulty in handling, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing grips by unscrewing the grip screws.
- Align the new grips with the frame of the firearm.
- Secure the grips by tightening the screws evenly to avoid misalignment.
- Doublecheck the installation to ensure the grips are firmly attached.

2. Usage:

- Practice proper firearm handling techniques.
- Maintain a firm grip on the firearm when aiming and firing.
- Regularly check the grips for tightness and wear, especially after extensive use.

Disposal Instructions

- Dispose of the grips in accordance with local regulations.
- If the grips are damaged beyond use, consider recycling the materials if possible.
- Do not dispose of the grips in regular household waste if they are made from materials that require special handling.
