# Safety Instruction Guide for P250/320 Compact 9mm Luger Handgun Magazines

## Introduction

Thank you for choosing the P250/320 Compact 9mm Luger Handgun Magazines. This guide provides important safety instructions to ensure the proper use and handling of your magazine. Please read this manual carefully before use to ensure your safety and the safety of others.

## General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Use the magazine only with compatible SIG SAUER P320 and P250 pistols.
- Inspect the magazine regularly for any signs of damage or wear.
- Follow local laws and regulations regarding the use and storage of firearms and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when inserting or removing the magazine.
- Do not attempt to modify or alter the magazine in any way.
- Only use ammunition that is compatible with the 9mm Luger cartridge.
- Avoid exposing the magazine to extreme temperatures or moisture.
- If the magazine does not function properly, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before inserting the magazine.
- Align the magazine with the magazine well of the pistol.
- Firmly push the magazine into the magazine well until it clicks into place.

### 2. Usage:

- After loading the magazine with ammunition, insert it into the firearm as described above.
- Always check that the magazine is securely locked in place before firing.
- To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.

### 3. Loading:

- Load the magazine by inserting rounds into the magazine, ensuring they are aligned properly.
- Do not exceed the magazine's capacity of 15 rounds.
- Avoid overloading or forcing rounds into the magazine.

### 4. Unloading:

- To unload the magazine, remove it from the firearm and ensure it is pointed in a safe direction.
- Carefully remove each round from the magazine.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local authorities or waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the P250/320 Compact 9mm Luger Handgun Magazines, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety while using your P250/320 Compact 9mm Luger Handgun Magazines.
