# Mainspring Safety Instruction Guide

## Introduction

Thank you for choosing the Mainspring, Old Style, Pre 199899, Blue, Two Tone. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before using the mainspring.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the mainspring for any signs of damage or wear before installation and use.
- Avoid using the product in environments that may expose it to extreme temperatures, moisture, or corrosive substances.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the mainspring with compatible models: P229, P225, P228, and P239.
- Do not modify the mainspring in any way, as alterations may compromise safety and performance.
- Wear appropriate safety gear, such as eye protection, when handling or installing the mainspring.
- Ensure that the firearm is unloaded before installing or replacing the mainspring.
- Follow the manufacturer's instructions for the proper installation and usage of the mainspring.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Installation:

- Remove the old mainspring carefully, following the manufacturer's guidelines.
- Inspect the new mainspring for any defects before installation.
- Align the new mainspring with the designated area in the firearm.
- Securely fasten the mainspring according to the manufacturer's instructions.

### 3. Usage:

- After installation, perform a function check to ensure the firearm operates correctly.
- Regularly maintain the mainspring by cleaning and inspecting it for wear and tear.
- If you notice any issues or malfunctions, discontinue use and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the old mainspring and any packaging materials in accordance with local regulations.
- Do not dispose of the mainspring in regular household waste. Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your Mainspring, please refer to the manufacturer's support resources. Ensure you have the product details ready for efficient assistance.

Thank you for prioritizing safety while using the Mainspring, Old Style, Pre 199899, Blue, Two Tone. Your commitment to following these guidelines helps ensure a safe experience for all users.
