

# P320/P250 45 ACP HANDGUN MAGAZINES - 10 ROUND 45 AUTO FULL-SIZE MAGAZINE, BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

These factory replacement magazines are for Sig Sauer P250 and P320 handguns chambered in 45 ACP. Sometimes the quickest way to solve a problem with feeding or cycling is to make sure you are using only original factory magazines in your Sig Sauer P250 and P320 pistol. All Sig Sauer P250 and P320 factory replacement magazines have a hardened steel mag body with a durable satin black finish, plus a black polymer follower and removable base plate. Extended capacity P250 and P320 magazines have a longer base pad that protrudes below the grip of the pistol when seated in the magwell.

# P320/P250 45 ACP Handgun Magazines Safety Instructions

## Introduction

Thank you for choosing the P320/P250 45 ACP Handgun Magazines. These factory replacement magazines are designed for use with Sig Sauer P250 and P320 handguns. This guide provides important safety instructions to ensure the safe use of your magazines. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that all products you purchase are from authorized retailers to guarantee safety and quality.
- Always check for any product recalls or safety notices related to your magazines on the EU Safety Gate platform.
- Store magazines in a safe place, out of reach of children and vulnerable individuals.
- Use only original factory replacement magazines to prevent malfunctions or safety hazards.
- Inspect magazines regularly for any signs of damage or wear. Do not use damaged magazines.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before inserting or removing a magazine.
- Handle magazines with care to avoid injury. The edges of the magazine can be sharp.
- Do not attempt to modify or alter the magazine in any way. Modifications can lead to malfunctions and safety risks.
- Keep fingers clear of the magazine well when inserting or removing the magazine to avoid pinching injuries.
- Be aware of your surroundings when handling firearms and magazines to prevent accidents.

## Instructions for Installation and Usage

### 1. Inserting the Magazine:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the pistol.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the pistol.
- Grasp the magazine and pull it straight out of the magazine well.

### 3. Loading the Magazine:

- Hold the magazine with the feed lips facing upward.
- Insert cartridges into the magazine one at a time, ensuring they are seated properly.
- Do not exceed the magazine's capacity of 10 rounds.

### 4. Storing the Magazine:

- Store magazines in a cool, dry place away from direct sunlight.
- Keep magazines unloaded when not in use.

## **Disposal Instructions**

- Dispose of damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash. Contact local waste management for proper disposal methods.
- If the magazine is no longer functional, consider recycling it if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your P320/P250 45 ACP Handgun Magazines, please consult the manufacturer's website or contact their customer support for assistance. Always ensure you have the latest safety information and product updates.

By following these safety instructions, you can ensure a safe and effective experience with your P320/P250 45 ACP Handgun Magazines. Thank you for prioritizing safety.
