MPX MAGAZINES Safety Instruction Guide

Introduction

Thank you for choosing the MPX MAGAZINES, 9MM MPX MAGAZINE, 9MM, 10 RD, GEN II. This factory magazine is designed for the Sig Sauer 9mm MPX and is available in various capacities. Your safety is our priority, and this guide provides essential safety instructions to ensure safe usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle magazines and firearms responsibly and with care.
- Store the magazine in a secure and dry location, away from children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Use only compatible ammunition as specified by the manufacturer.
- Be aware of your surroundings when loading and unloading the magazine.
- Follow all local laws and regulations regarding firearm and ammunition usage.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify the magazine or use it in a manner not intended by the manufacturer.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Keep the magazine away from water and moisture to prevent corrosion.
- If you notice any unusual behavior during use, cease operation immediately and consult a qualified technician.

Instructions for Installation and Usage

1. Loading the Magazine

- Ensure that the firearm is pointed in a safe direction.
- Hold the magazine with the feed lips facing upward.
- Insert the cartridges into the magazine, ensuring they are seated correctly.
- Do not exceed the magazine's specified capacity.

2. Inserting the Magazine into the Firearm

- Verify that the firearm is unloaded.
- Align the magazine with the magazine well.
- Push the magazine firmly into place until it clicks.

3. Removing the Magazine from the Firearm

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button.
- Gently pull the magazine out of the magazine well.

4. Cleaning and Maintenance

- Regularly clean the magazine to prevent dirt and debris accumulation.
- Use a soft cloth and appropriate cleaning solution for polymer materials.
- Inspect the magazine for any signs of damage and replace if necessary.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not throw the magazine in regular household waste.
- If the magazine is damaged or no longer usable, consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MPX MAGAZINES, please reach out to the designated EUbased contact point provided by the manufacturer.

By following these guidelines, you can help ensure your safety and the safe operation of your MPX MAGAZINES. Thank you for your attention to these important safety instructions.
