Safety Instruction Guide for MPX/MCX Folding Telescoping Stock 1913 Interface

Introduction

Thank you for choosing the MPX/MCX Folding Telescoping Stock 1913 Interface. This product is designed to enhance your firearm's usability and comfort. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the stock is securely attached before use.
- Regularly inspect the stock for any damage or wear.
- Store the firearm and stock in a secure location, out of reach of children.
- Do not modify the stock or any components without consulting a qualified gunsmith.
- Report any unsafe product issues or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with MCX/MPX firearms that are compatible with the 1913 interface.
- Ensure that the stock is fully extended or folded as per the intended use before firing.
- Do not place any objects in the path of the stock when folding or extending.
- Always wear appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure that the shooting area is clear of unauthorized individuals.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Align the stock with the 1913 interface on the receiver.
3. Slide the stock into place until it is securely attached.
4. Check that the stock is locked in position and does not wobble.
5. Perform a function check to ensure the stock operates correctly.

Usage

- To extend the stock:
 1. Grip the stock firmly.
 2. Pull the stock away from the receiver until it clicks into the extended position.
- To fold the stock:
 1. Grip the stock firmly.
 2. Press the release button (if applicable) and fold the stock towards the receiver.
- Always ensure that the stock is in the desired position before firing.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling options if available in your area.
