

P227 MAGAZINE 10RD 45ACP

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Replacement factory magazine for the Sig Sauer P227 in .45 ACP holds an even 10-rounds for use in jurisdictions with magazine capacity restrictions. The Sig Sauer P227 .45 ACP 10-round magazine has a matte-blued steel body with witness holes indicating 10 and 6 rounds, a removable polymer base plate, and a self-lubricating polymer follower. The best way to ensure reliable feeding in your Sig Sauer P227 in .45 ACP is to have plenty of spare factory magazines on hand.

P227 Magazine 10RD Safety Instruction Guide

Introduction

Thank you for choosing the P227 Magazine 10RD for your Sig Sauer P227. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this document carefully before use.

General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for any signs of damage or wear before use.
- Only use factoryapproved ammunition in the magazine.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.
- Always follow local laws and regulations regarding magazine capacity and usage.

Specific Safety Precautions for Use

- Ensure the magazine is properly seated in the firearm before use.
- Do not attempt to modify the magazine in any way.
- Avoid overloading the magazine beyond its 10round capacity.
- Do not use the magazine if it is damaged or does not function correctly.
- Be aware of your surroundings when loading and unloading the magazine.
- Always point the firearm in a safe direction when handling the magazine and firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the Sig Sauer P227.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine with the witness holes facing up.
- Using your thumb, press down on the follower and insert one round at a time.
- Ensure that the rounds are seated properly and that the magazine does not exceed its 10round capacity.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure the magazine is secure before attempting to fire the firearm.
- After firing, remove the magazine by pressing the magazine release button and pulling the magazine out of the firearm.

4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm.
- Press the follower down and remove each round from the magazine, ensuring that the magazine is empty.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste if it is damaged or no longer usable.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the P227 Magazine 10RD, please refer to the manufacturer's website or contact your local authorized dealer.

Conclusion

Your safety is our priority. By following these guidelines and precautions, you can ensure the safe use of your P227 Magazine 10RD. Always remain vigilant and responsible when handling firearms and their accessories. Thank you for choosing Sig Sauer.
