

# P220 MAGAZINE 10RD 45ACP

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Replacement magazine extends the capacity of your Sig Sauer P220 to 10 rounds of .45 ACP, two more than the original magazine. Unlike aftermarket 10-round replacement mags, these are Sig Sauer factory originals properly engineered to fit and function with Swiss/German reliability in your P220 .45 ACP pistol. The Sig Sauer P220 .45 ACP 10-round replacement magazine has a stainless steel body, with natural silver finish, and witness holes on the side numbered 2 through 10. The follower and extended base pad are black molded polymer. Base pad protrudes below the pistol grip when inserted into the magwell.

## Attributes

# Safety Instruction Guide for P220 Magazine 10RD .45 ACP

## Introduction

Thank you for choosing the P220 Magazine 10RD .45 ACP by Sig Sauer. This guide provides essential safety information and instructions to ensure the safe and effective use of your magazine. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your Sig Sauer P220 model.
- Always handle the magazine with care. Treat it as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the possession and use of firearm magazines.

## Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not attempt to modify the magazine in any way. Modifications can compromise safety and functionality.
- Only use .45 ACP ammunition that is suitable for your firearm.
- Avoid exposing the magazine to extreme temperatures or moisture, as this may affect its performance.
- Be aware of your surroundings and ensure that you are in a safe environment when using the magazine.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before attempting to install the magazine.
- Align the magazine with the magazine well of the Sig Sauer P220.
- Push the magazine firmly into the magazine well until it clicks into place.
- Ensure the magazine is securely seated before use.

### 2. Usage:

- To load the magazine, press down on the follower and insert the .45 ACP cartridges one at a time.
- Ensure that each cartridge is seated properly and that the magazine is filled to its capacity of 10 rounds.
- To remove the magazine, press the magazine release button on the firearm and gently pull the magazine out of the magazine well.
- Always check that the magazine is empty before cleaning or storing.

## Disposal Instructions

- Dispose of the magazine responsibly in accordance with local regulations.
- If the magazine is damaged beyond use, consider recycling it if possible.
- Do not throw the magazine in regular trash if it is still functional; instead, follow local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the P220 Magazine 10RD .45 ACP, please contact the manufacturer or your local authorized dealer. They will provide you with the necessary support and information.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe and effective use of your P220 Magazine 10RD .45 ACP. Always remain vigilant and responsible when handling firearms and their accessories. Thank you for your attention to safety.
