# Safety Instruction Guide for P250/P320 Full/Carry 9mm Luger Extended Handgun Magazines

## Introduction

Thank you for choosing the P250/P320 Full/Carry 9mm Luger Extended Handgun Magazines. This guide provides essential safety instructions, usage guidelines, and contact information for support. Please read this document carefully to ensure safe and effective use of your magazines.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always treat every firearm as if it is loaded.
- Store magazines in a secure location, away from children and unauthorized users.
- Regularly inspect magazines for damage or wear before each use.
- Follow all local laws and regulations regarding firearm and ammunition storage and use.

## Specific Safety Precautions for Use

- Do not exceed the magazine's specified capacity (21round or 30round).
- Avoid using damaged or defective magazines, as they may cause malfunctions.
- Always ensure that your firearm is pointed in a safe direction when loading or unloading.
- Use only factoryapproved ammunition to avoid potential hazards.
- Keep fingers and other body parts away from the ejection port and magazine well during operation.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine with the base plate facing down.
- Use your thumb to push down on the follower while inserting cartridges one at a time.
- Ensure that each cartridge is seated correctly and fully in the magazine.

### 2. Inserting the Magazine into the Firearm:

- With the firearm pointed in a safe direction, hold the magazine with the rounds facing the rear of the firearm.
- Insert the magazine into the magazine well until it clicks into place. Ensure it is securely seated.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to remove the magazine from the firearm.
- Store the magazine in a safe location.

### 4. Maintenance:

- Regularly clean the magazine to prevent dirt and debris buildup.
- Inspect the spring and follower for wear and replace if necessary.
- Follow the manufacturer's instructions for specific maintenance procedures.

## **Disposal Instructions**

- Dispose of damaged or worn magazines in accordance with local laws and regulations.
- Do not attempt to repair magazines that are beyond repair; dispose of them safely.
- Recycle materials when possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the P250/P320 Full/Carry 9mm Luger Extended Handgun Magazines, please refer to the manufacturer's website or contact their support team for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your P250/P320 Full/Carry 9mm Luger Extended Handgun Magazines. Always prioritize safety and compliance with local regulations while handling firearms and ammunition.
