# SIG SAUER 320 Safety Lock Spring Safety Instruction Guide

## Introduction

Thank you for choosing the SIG SAUER 320 Safety Lock Spring. This guide provides essential safety information to ensure the proper use and handling of this product. Please read and follow these instructions carefully to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the Safety Lock Spring out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- If the product is damaged or does not function as intended, discontinue use immediately.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the Safety Lock Spring.
- Avoid using the Safety Lock Spring if you are under the influence of drugs or alcohol.
- Use appropriate personal protective equipment (PPE) when handling firearms.
- Do not modify the Safety Lock Spring or use it with incompatible parts.
- Ensure that the installation area is clean and free from distractions.

## Instructions for Installation and Usage

### 1. Preparation

- Make sure the firearm is completely unloaded.
- Gather necessary tools for installation, if required.

### 2. Installation Steps

- Remove the existing Safety Lock Spring, if applicable.
- Align the new SIG SAUER 320 Safety Lock Spring with the designated slot.
- Gently press the spring into place, ensuring it is securely fitted.

### 3. Usage

- Once installed, test the Safety Lock Spring by engaging and disengaging it to ensure proper function.
- Regularly check the spring during routine firearm maintenance.

### 4. PostInstallation Check

- After installation, perform a safety check on the firearm to confirm that it is functioning correctly.
- If any issues are detected, consult a qualified gunsmith or contact SIG SAUER for assistance.

## Disposal Instructions

- Dispose of the Safety Lock Spring in accordance with local regulations for electronic and mechanical

components.

- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the SIG SAUER website or contact your local authorized dealer. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
