Safety Instruction Guide for P365 9MM Luger Handgun Magazine with Finger Extension

Introduction

Thank you for choosing the P365 9MM Luger Handgun Magazine with Finger Extension. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your magazine. Please read this document carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that all products are used only as intended and in accordance with the manufacturer's instructions.
- Always store magazines and firearms in a secure location, away from children and unauthorized users.
- Regularly inspect your magazine for signs of wear or damage. Do not use a damaged magazine.
- Familiarize yourself with local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the P365 9MM Luger Handgun Magazine with the P365 microcompact pistol.
- This magazine is NOT compatible with the P365X or P365 XL models.
- Always ensure that the magazine is properly seated in the firearm before use.
- Do not exceed the magazine's capacity of 10 rounds.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals, as these can affect performance.
- Handle the magazine with care during loading and unloading to prevent accidental discharge.
- Always treat every firearm as if it is loaded, even if the magazine is removed.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine in one hand with the base facing down.
- Use your other hand to press down the follower (the springloaded part inside the magazine).
- Insert one round at a time into the magazine, ensuring that the cartridge is oriented correctly.
- Repeat until the magazine is loaded to the desired capacity (maximum of 10 rounds).

2. Installing the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and is on safe mode if applicable.
- With the magazine loaded, align the magazine with the magazine well of the P365 pistol.
- Push the magazine firmly into the magazine well until you hear a click, indicating it is securely locked in place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out from the magazine well.

4. Unloading the Magazine:

- Always ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Press down on the follower and carefully remove each round from the magazine.

Disposal Instructions

- Dispose of old or damaged magazines in accordance with local regulations.
- Do not throw magazines in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that all ammunition is removed from the magazine before disposal.

Contact Information for Further Support

For additional support or inquiries regarding the P365 9MM Luger Handgun Magazine with Finger Extension, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure the safe and effective use of your P365 9MM Luger Handgun Magazine. Thank you for prioritizing safety.
