Safety Instruction Guide for P250/P320 FULL/CARRY 9MM LUGER EXTENDED HANDGUN MAGAZINES

Introduction

Thank you for choosing the SIG SAUER P250/P320 FULL/CARRY 9MM LUGER EXTENDED HANDGUN MAGAZINES. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your product. Your safety is our priority, and we encourage you to read this document carefully to ensure safe operation.

General Safety Guidelines

- Ensure that all users of this product are familiar with basic firearm safety rules and practices.
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage before use.
- Do not use the magazine if it is damaged or shows signs of malfunction.
- Always follow local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Only use factoryapproved ammunition. Using incorrect or reloaded ammunition may cause malfunctions or damage.
- Do not exceed the magazine's specified capacity (21 or 30 rounds) to avoid jams or malfunctions.
- When loading the magazine, ensure that rounds are inserted correctly and seated properly.
- Avoid exposing the magazine to extreme temperatures, moisture, or corrosive substances.
- Always keep the magazine pointed in a safe direction when loading or unloading.
- If a malfunction occurs, follow proper clearing procedures before attempting to inspect or repair the firearm.

Instructions for Installation and Usage

1. Loading the Magazine

- Hold the magazine with the base plate facing down.
- Insert the first round into the magazine, ensuring it is seated correctly.
- Continue adding rounds until the magazine is full or you reach the desired capacity.
- Use the removable sleeve on the 30round magazine for enhanced comfort when gripping.

2. Installing the Magazine into the Firearm

- Ensure that the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until you hear a click, indicating it is locked securely.

3. Removing the Magazine

- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well with a firm grip.
- Always inspect the magazine after removal for any signs of wear or damage.

4. Maintenance and Care

- Regularly clean the magazine to prevent dirt and debris buildup.
- Remove the base plate for thorough cleaning if necessary.
- Inspect the follower and spring for wear and replace them if needed.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, consider recycling the metal components where applicable.
- Do not dispose of magazines in regular household waste.

Contact Information for Further Support

For questions or safety inquiries regarding your P250/P320 FULL/CARRY 9MM LUGER EXTENDED HANDGUN MAGAZINES, please contact the manufacturer or authorized dealer.

By following these safety instructions and guidelines, you will help ensure a safe and enjoyable experience with your SIG SAUER magazines. Thank you for your attention to safety!
