# SIG SAUER P365 Recoil Spring Assembly Safety Instructions

## Introduction

Thank you for choosing the SIG SAUER P365 Recoil Spring Assembly. This product is designed to enhance the performance of your firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that you are in a safe environment when handling or installing the recoil spring assembly.
- Keep firearms and components out of reach of children and unauthorized users.
- Familiarize yourself with your firearm's manual and safety features.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Use only the specified recoil spring assembly for the SIG SAUER P365 model.
- Do not attempt to modify or alter the recoil spring assembly in any way.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring assembly.
- Wear safety glasses when handling firearm components to protect your eyes from potential debris.
- If you experience any malfunctions or unusual behavior from your firearm after installation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, including a punch tool and a small hammer.

### 2. Removing the Old Recoil Spring Assembly:

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the recoil spring assembly and carefully remove it using the punch tool if necessary.

### 3. Installing the New Recoil Spring Assembly:

- Take the new recoil spring assembly and align it properly with the guide rod.
- Insert the recoil spring assembly into the designated area in the firearm.
- Ensure it is seated correctly and securely.

### 4. Reassembling the Firearm:

- Follow the manufacturer's instructions to reassemble your firearm.
- Doublecheck that all components are properly installed and secure.

### 5. Testing:

- After reassembly, conduct a function check to ensure that the firearm operates correctly.
- If any issues are detected, consult a qualified gunsmith before using the firearm.

## **Disposal Instructions**

- Dispose of the old recoil spring assembly and any packaging materials in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Check for recycling options specific to metal and firearm components in your area.

## **Contact Information for Further Support**

For questions or further assistance regarding the SIG SAUER P365 Recoil Spring Assembly, please refer to the manufacturer's website or contact an authorized SIG SAUER dealer.

By following these safety instructions, you can ensure a safe and effective experience with your SIG SAUER P365 Recoil Spring Assembly. Always prioritize safety and responsible handling of firearms.
