# SIG SAUER P365 Slide Catch & Springs Safety Instruction Guide

## Introduction

Thank you for choosing the SIG SAUER P365 Slide Catch & Springs. This guide provides important safety instructions, general guidelines, and installation procedures to ensure a safe and effective use of the product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure that the product is compatible with the SIG SAUER P365 model.
- Always handle firearms and firearm components with care and in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the slide catch and springs for their intended purpose.
- Do not modify the product in any way that could compromise its safety.
- Always ensure the firearm is unloaded before installing or replacing components.
- Wear appropriate safety gear, including eye protection, when handling or installing firearm components.
- If you experience any issues during installation or use, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all necessary tools for installation.
- Work in a clean, dry area free from distractions.

### 2. Installation Steps

- Unload the firearm completely and remove the magazine.
- Disassemble the firearm according to the manufacturer's instructions.
- Locate the existing slide catch and springs.
- Carefully remove the old slide catch and springs.
- Install the new slide catch and springs, ensuring they are securely fitted.
- Reassemble the firearm according to the manufacturer's instructions.

### 3. PostInstallation Checks

- After installation, perform a visual inspection to ensure all components are correctly installed.
- Test the functionality of the slide catch before using the firearm.

## Disposal Instructions

- Dispose of any old or damaged components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Consider recycling options or contacting local waste management for disposal guidance.
