SIG SAUER P365 Striker Safety & Spring Safety Instruction Guide

Introduction

Thank you for choosing the SIG SAUER P365 Striker Safety & Spring. This product is designed to ensure the safe and reliable operation of your firearm. It is crucial to follow the safety guidelines and instructions provided in this guide to prevent accidents and injuries.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is stored in a secure location, inaccessible to unauthorized users, especially children.
- Regularly inspect your firearm and its components for wear and damage.
- Use only manufacturer-recommended parts and accessories for your firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Keep hands and fingers clear of the trigger and other moving parts during installation.
- Do not attempt to modify the striker safety or spring beyond the manufacturer's specifications.
- If you are unsure about any aspect of the installation or usage, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, including a screwdriver and any other recommended tools.

2. Removing the Old Striker Safety and Spring

- Carefully disassemble the firearm according to the manufacturer's instructions.
- Locate the striker safety and spring within the firearm.
- Using the appropriate tool, carefully remove the old striker safety and spring.

3. Installing the New Striker Safety and Spring

- Take the new SIG SAUER P365 Striker Safety & Spring from its packaging.
- Align the new striker safety in its designated position.
- Install the new spring, ensuring it is seated correctly.
- Reassemble the firearm according to the manufacturer's instructions.

4. Final Checks

- After reassembly, conduct a thorough inspection to ensure all components are correctly installed.
- Perform a function check to verify that the striker safety operates as intended.

- Store the firearm safely and securely when not in use.

Disposal Instructions

- Dispose of the old striker safety and spring in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Consider recycling or using a designated hazardous waste facility for disposal.

Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER P365 Striker Safety & Spring, please consult the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and responsibility in your firearm usage. Always stay informed and adhere to safety practices to ensure a safe environment for yourself and others.
