# Safety Instruction Guide for UNICHUCK SHIM FIT COMBO

## Introduction

Thank you for choosing the Quinetics UniChuck Shim Fit Combo. This product is designed to enhance the performance of your kinetic bullet puller, making it more efficient and easier to use. To ensure your safety and the proper functioning of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the product is suitable for your specific bullet puller model.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the UniChuck Shim Fit Combo if it appears damaged or worn.
- Always wear appropriate safety gear, including safety glasses, when using the bullet puller.
- Ensure that the area around you is clear of obstacles and bystanders.
- Use the product in a wellventilated area to avoid inhaling any dust or debris.
- Do not exceed the recommended force when pulling bullets to prevent injury or damage to the product.
- Follow all local laws and regulations regarding the use of bullet pullers and reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your kinetic bullet puller is clean and free of debris.
- Remove any existing inserts from the bullet puller.
- Select the appropriate shimfit insert for your bullet puller.
- Insert the shimfit component into the bullet puller, ensuring it is securely in place.
- Reassemble any parts of the bullet puller that were removed during installation.

### 2. Usage:

- Place the bullet you wish to pull into the bullet puller.
- Ensure that the bullet is properly seated against the shimfit insert.
- Hold the bullet puller firmly and strike it against a solid surface.
- Repeat the process if necessary, applying consistent and controlled force.
- After use, inspect the product for any signs of damage or wear.

## Disposal Instructions

- Dispose of the UniChuck Shim Fit Combo in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the UniChuck Shim Fit Combo, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Quinetics UniChuck Shim Fit Combo. Thank you for your attention to safety.
