

# AR-15/M16 NM FREE FLOAT BARREL SLEEVE - ROCK RIVER ARMS FREE FLOAT BARREL SLEEVE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## DCM Legal, A2-Style Relieves Barrel Tension For Better Accuracy

Two-piece steel tube isolates barrel from forend pressure for consistent accuracy on target and tactical rifles. Lets you use a tight shooting sling or a bipod without putting external pressure on barrel and shifting point of impact. Furnished with A2 handguards, sling swivel and gas tube. DCM legal, does not alter exterior profile.

# AR15/M16 NM Free Float Barrel Sleeve Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 NM Free Float Barrel Sleeve from Rock River Arms. This product is designed to enhance the accuracy and performance of your tactical rifle while ensuring safe usage. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Inspect the product for any damage before installation. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the product only as intended. This sleeve is designed for the AR15 platform.
- Avoid applying excessive force when installing the sleeve to prevent damage.
- Ensure that the barrel sleeve is securely attached before using the firearm.
- Do not apply external pressure to the barrel while using a sling or bipod to maintain accuracy.
- Regularly inspect the sleeve for wear and tear. Replace if necessary.
- Be aware that the product does not alter the exterior profile of the firearm.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

#### 2. Remove Existing Handguards:

- Carefully remove the existing handguards from your AR15.

#### 3. Install the Free Float Barrel Sleeve:

- Slide the twopiece steel tube over the barrel, ensuring it fits snugly.
- Align the sleeve with the barrel and the forend.

#### 4. Secure the Sleeve:

- Attach the provided A2 handguards, ensuring they are properly seated.
- Install the sling swivel and gas tube as per manufacturer instructions.

#### 5. Final Inspection:

- Check that all components are securely fastened.
- Ensure there is no movement in the sleeve before proceeding to use the firearm.

## **Usage**

- When using a sling or bipod, ensure that no external pressure is applied to the barrel sleeve.
- Regularly check the alignment of the sleeve during use to maintain consistent accuracy.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste if it is damaged or nonfunctional.
- Consider recycling the materials if applicable.

## **Contact Information for Further Support**

For questions or concerns regarding the AR15/M16 NM Free Float Barrel Sleeve, please reach out to your local retailer or manufacturer for assistance. Always ensure that you are following the latest safety guidelines and regulations.
