# Safety Instruction Guide for AR15 M4 Stock Wrench

## Introduction

Thank you for choosing the AR15 M4 Stock Wrench by Rock River Arms. This tool is designed to help you safely and effectively remove your old extension tube and install a newstyle A4 stock. Please read this safety instruction guide carefully to ensure proper use and to understand the necessary precautions.

## General Safety Guidelines

- Always use the wrench in accordance with the manufacturer's instructions.
- Ensure the wrench is in good condition before use. Inspect for any damage or wear.
- Keep the tool out of reach of children and vulnerable individuals.
- Use the wrench only for its intended purpose; do not use it for any other applications.
- Store the wrench in a dry and safe place when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment, such as safety glasses, to protect your eyes from debris.
- Use the wrench on a stable and secure surface to avoid accidents.
- Do not apply excessive force when tightening or loosening the castle nut; this can cause damage to the wrench or the firearm.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning any work.
- If you are unsure about any step in the process, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Removing the Old Stock:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use the rubbercoated handle of the wrench to grip the receiver extension tube.
- Turn the wrench counterclockwise to loosen and remove the old stock.

### 2. Installing the New A4 Stock:

- Align the new A4 stock with the receiver extension tube.
- Hand tighten the stock onto the tube until snug.
- Use the wrench to tighten the castle nut securely, ensuring a nonslip fit.

### 3. Final Checks:

- After installation, check that the stock is firmly attached and does not wobble.
- Ensure all components are functioning correctly before using the firearm.

## Disposal Instructions

- Dispose of the wrench in accordance with local regulations.
- If the wrench is damaged beyond repair, consider recycling the steel material where possible.
