# PRO JAGS ACCUPRO .243/.257 CALIBER PRO JAG Safety Instruction Guide

## Introduction

Thank you for choosing the PRO JAGS ACCUPRO .243/.257 CALIBER PRO JAG. This product is designed for efficient cleaning of firearms, ensuring safety and effectiveness during use. This guide provides important safety instructions and guidelines to ensure the safe operation of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before cleaning.
- Use the jag only with compatible cleaning rods (12 gauge, 8 32 thread or 12 gauge, 5/16" 27 thread).
- Do not force the jag into the bore; it should fit snugly but not require excessive force.
- Avoid using the jag with excessive pressure to prevent potential damage to the firearm.
- Always wear protective eyewear when cleaning firearms to protect against debris.
- Store the product in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including patches and cleaning solvents.

### 2. Attaching the Jag:

- Select the appropriate jag for your cleaning rod (12 gauge, 8 32 thread for rifles or 12 gauge, 5/16" 27 thread for shotguns).
- Firmly attach the jag to the cleaning rod, ensuring a secure fit.

### 3. Using the Jag:

- Center the rubber Oring on the jag with the patch and insert it into the muzzle of the firearm.
- Gently push the jag through the bore, ensuring it remains centered to avoid damage.
- Pull the jag back out of the bore, bringing the patch with it for effective cleaning.
- Repeat as necessary until the bore is clean.

### 4. PostCleaning:

- After cleaning, inspect the jag for any wear or damage.
- Clean the jag with a suitable solvent and dry it thoroughly before storage.

## **Disposal Instructions**

- Dispose of any used patches and cleaning materials in accordance with local waste disposal regulations.
- Do not dispose of the jag or cleaning rod in regular household waste if they are damaged. Instead, follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to your local supplier or manufacturer. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the PRO JAGS ACCUPRO .243/.257 CALIBER PRO JAG. Thank you for prioritizing safety and compliance while using our product.
