Safety Instruction Guide for AUTO PRIMER FEED COMBO RCBS AUTO PRIMER FEEDER TUBE LARGE

Introduction

Thank you for choosing the AUTO PRIMER FEED COMBO RCBS AUTO PRIMER FEEDER TUBE LARGE. This product is designed to enhance your reloading experience by providing a convenient and efficient way to feed primers into your reloading press. However, it is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety instructions and information to help you use this product safely and responsibly.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product before use to ensure it is in good condition.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Do not use the AUTO PRIMER FEED COMBO with RC Supreme presses, as it is not compatible.
- Avoid touching the primers with your fingers to prevent contamination and misfires.
- Always handle primers with care to avoid accidental ignition.
- Ensure that the primer tube is properly secured before use to prevent primers from falling out.
- Use the product in a wellventilated area to minimize exposure to dust and fumes.
- Wear safety glasses to protect your eyes from any accidental primer discharge.
- Ensure that the working area is clean and free from clutter to avoid accidents.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that your reloading press (Rock Chucker II, JR, or Reloader Special) is turned off and unplugged.
- Remove any existing primer tubes from your press.
- Insert the AUTO PRIMER FEEDER TUBE LARGE into the designated slot on your reloading press, ensuring it is securely fitted.
- Ensure the nylon primer pickup is correctly positioned to prevent primers from falling out.

2. Loading Primers:

- Open the primer tube by removing the cap.
- Carefully load up to 100 large primers into the tube, ensuring they are seated correctly.
- Replace the cap securely on the tube after loading.

3. Using the Primer Feeder:

- Turn on your reloading press and begin the reloading process.
- The AUTO PRIMER FEED COMBO will drop one primer at a time into the primer plug and sleeve.
- Monitor the operation to ensure that the primers are feeding correctly and that there are no jams.

4. After Use:

- Once reloading is complete, turn off and unplug the reloading press.
- Remove the primer tube and clean it if necessary.
- Store the product in a dry and safe location away from children and pets.

Disposal Instructions

When disposing of the AUTO PRIMER FEED COMBO, please adhere to the following guidelines:

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- If the product is damaged or no longer usable, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance regarding the AUTO PRIMER FEED COMBO, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with the AUTO PRIMER FEED COMBO RCBS AUTO PRIMER FEEDER TUBE LARGE. Thank you for prioritizing safety in your reloading activities.
