Safety Instruction Guide for 22 NOSLER NECK DIE RCBS

Introduction

Thank you for choosing the 22 NOSLER NECK DIE by RCBS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the die to understand the potential hazards and how to mitigate them.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is resizing the case neck of 22 Nosler cartridges.
- Always handle the die with care to prevent injury.
- Store the die in a safe, dry place away from children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Be aware of the potential hazards associated with reloading ammunition, including but not limited to, the handling of gunpowder and primers.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear safety glasses when using the die to protect your eyes from debris.
- Use the die in a wellventilated area to avoid inhaling any dust or particles.
- Keep your workspace clean and organized to prevent accidents.
- Do not exceed the recommended specifications for the die to avoid malfunction.
- Ensure that all equipment used in conjunction with the die is in good working condition.
- Avoid distractions while using the die to maintain focus and safety.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure that your workspace is clean and organized.
2. **Gather Tools:** You will need a reloading press compatible with the 22 NOSLER NECK DIE.
3. **Install the Die:**
 - Insert the die into the reloading press.
 - Tighten the die securely according to the manufacturer's instructions.
 - Ensure that the expanderdepriming unit is properly positioned.

Usage

1. **Check Compatibility:** Confirm that you are using 22 Nosler cartridges.
2. **Resize the Case Neck:**
 - Place the cartridge in the shell holder.
 - Operate the press to resize the case neck without affecting the shoulder or body of the cartridge.
3. **Deprime the Cartridge:** The expanderdepriming unit will remove the primer during the resizing process.
4. **Inspect Your Work:** After resizing, check the cartridge for proper sizing and ensure no damage has occurred.

Disposal Instructions

- Dispose of any used primers and cartridges in accordance with local regulations.
- Do not throw away the die in regular household waste. Check for recycling options for metal products.
- Follow all local and national guidelines for the disposal of hazardous materials related to ammunition reloading.

Contact Information for Further Support

For any questions or concerns regarding the 22 NOSLER NECK DIE, please refer to the manufacturer's website or contact their customer support. It is important to have access to professional assistance for any safety inquiries.

By following these safety instructions, you can ensure a safer reloading experience. Always prioritize safety and adhere to local regulations when using reloading equipment. Thank you for choosing RCBS.
