Safety Instructions for the 22 NOSLER AR SERIES SMALL BASE 2DIE SET RCBS

Introduction

Thank you for choosing the RCBS® AR Series Small Base 2Die Set for your reloading needs. This product is designed for progressive reloaders and is essential for ensuring the safe and effective reloading of 22 Nosler cartridges. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

To ensure your safety and the safety of others while using the 22 NOSLER AR SERIES SMALL BASE 2DIE SET, please adhere to the following general safety guidelines:

- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading components, including this die set, out of reach of children and unauthorized users.
- Ensure that all tools and equipment are in good working condition before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

When using the RCBS® AR Series Small Base 2Die Set, please take the following specific safety precautions:

- **Small Base Sizer Die Usage:**
 - Ensure that the die is properly installed in the reloading press before use.
 - Check that the cartridge cases are clean and free of debris before sizing.
- **Taper Crimp Seater Die Usage:**
 - Adjust the die according to the specifications for the 22 Nosler cartridge.
 - Do not exceed the recommended crimp pressure to avoid damaging the cartridge.
- **General Handling:**
 - Never point the firearm at yourself or others when handling reloaded cartridges.
 - Inspect all reloaded cartridges for defects before use.
 - Use only approved components and materials for reloading.

Instructions for Installation and Usage

To ensure proper installation and usage of the 22 NOSLER AR SERIES SMALL BASE 2DIE SET, follow these steps:

1. Installation:

- Secure the Small Base Sizer Die into the reloading press according to the manufacturer's instructions.
- Tighten the die securely to avoid movement during operation.
- Insert the Taper Crimp Seater Die into the press following the same procedure.

2. Usage:

- Begin by sizing the cartridge cases with the Small Base Sizer Die.
- After sizing, inspect each case for proper dimensions and cleanliness.
- Proceed to load the desired powder charge into the case.
- Place the bullet into the case mouth and adjust the Taper Crimp Seater Die to achieve the desired crimp.
- Ensure that the finished cartridge meets all safety specifications before use.

Disposal Instructions

When disposing of used components or defective cartridges, please follow these guidelines:

- Dispose of any unused or defective cartridges in accordance with local laws and regulations.
- Do not throw away live ammunition; contact local authorities for proper disposal methods.
- Recycle metal components where possible, following local recycling guidelines.

Contact Information for Further Support

For further support regarding the 22 NOSLER AR SERIES SMALL BASE 2DIE SET, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details and any relevant information ready when seeking help.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the RCBS® AR Series Small Base 2Die Set. Always prioritize safety and remain informed about best practices in ammunition reloading. Thank you for choosing RCBS for your reloading needs.
