

POWDER DIE FUNNEL ADAPTER - RCBS POWDER DIE FUNNEL ADAPTER

[Reloading](#) > [Powder Handling](#) > [Measure Stands & Accessories](#)

Pour Charges By Hand on Progressive Presses for EXTRA Precision

The RCBS Powder Die Funnel Adapter replaces the Case Activated Powder measure, allowing a funnel to be placed directly on the Powder Die for hand poured charges. With the Powder Die Funnel Adapter, you simply pour weighed charges into the case at the powder drop station on progressive presses without removing the case from the die plate for greater power accuracy.

RCBS Powder Die Funnel Adapter Safety Instructions

Introduction

Thank you for choosing the RCBS Powder Die Funnel Adapter. This product is designed to enhance your reloading experience by allowing for precise handpoured charges directly into the case. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Powder Die Funnel Adapter is used only for its intended purpose.
- Always handle reloading components, including powders and primers, with care and in accordance with safety procedures.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of wear or damage.
- In case of any malfunction or damage, discontinue use and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of spillage: Ensure that the funnel is properly seated on the Powder Die to prevent powder spillage.
- Risk of contamination: Avoid contact between the funnel and any foreign substances to prevent contamination of the powder.

- **Avoiding Hazards:**

- Always pour weighed charges slowly to minimize the risk of spillage.
- Do not attempt to modify the Powder Die Funnel Adapter in any way.
- Use protective eyewear when handling powders to prevent eye irritation.
- Store the adapter in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove the existing Case Activated Powder measure from the Powder Die.
- Align the Powder Die Funnel Adapter with the Powder Die and press it firmly into place until securely fitted.

2. Usage:

- Weigh your powder charge using an appropriate scale.
- Carefully pour the weighed charge into the funnel, allowing it to flow directly into the case.
- Ensure the case remains stationary on the die plate during the pouring process to maintain accuracy.
- After use, clean the funnel to remove any residual powder.

Disposal Instructions

- Dispose of any unused or expired powder according to local regulations for hazardous materials.
- Recycle the Powder Die Funnel Adapter if it becomes unusable, following local recycling guidelines.
- Do not throw the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety and use of the RCBS Powder Die Funnel Adapter, please reach out to the designated EU contact point for assistance.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your RCBS Powder Die Funnel Adapter. Thank you for your attention to safety!
