

BULLET SEATER DIES - RCBS SEATER DIE 6.5MM REMINGTON SAUM

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

RCBS bullet seaters may also be purchased separately. Some reloaders like to have a separate seater die adjusted for each different bullet they shoot, or for different rifles of the same cartridge. RCBS seater dies have built-in taper or roll crimp ring appropriate for the cartridge. Seater dies are packed in an RCBS plastic die box and will fit any 7/8 to 14 reloading press.

Attributes

- Name: [RCBS SEATER DIE 6.5MM REMINGTON SAUM](#)

Safety Instruction Guide for RCBS Bullet Seater Die 6.5mm Remington SAUM

Introduction

Thank you for choosing the RCBS Bullet Seater Die for 6.5mm Remington SAUM. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure that you are familiar with the operation of your reloading press before using the die.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die for any damage before use. Do not use a damaged die.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Use the die only for its intended purpose: bullet seating for 6.5mm Remington SAUM cartridges.
- Wear appropriate safety gear, including safety glasses, when reloading.
- Avoid distractions while reloading to maintain focus and safety.
- Do not exceed recommended loads as specified in reloading manuals.
- Ensure that the reloading area is wellventilated and free from flammable materials.

Instructions for Installation and Usage

1. Installation:

- Secure the die in your reloading press by following the manufacturer's instructions.
- Ensure that the die is tightened properly to avoid movement during use.

2. Usage:

- Adjust the die according to the bullet specifications you are using.
- Insert the cartridge case into the press and raise the ram.
- Place the bullet into the case mouth and lower the ram to seat the bullet.
- Check the overall length of the cartridge after seating to ensure it meets specifications.

3. Maintenance:

- Clean the die regularly to maintain its performance.
- Store the die in a safe, dry place when not in use.

Disposal Instructions

- Dispose of all reloading components, including spent primers and unused powder, according to local regulations.
- Do not dispose of reloading materials in regular household trash.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Bullet Seater Die or for safety inquiries, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience. Always prioritize safety and adhere to best practices while using your reloading equipment.
