

# MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS - RCBS 223 REMINGTON COMPETITION FULL LENGTH BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The RCBS MatchMaster Competition die sets are the perfect sets of dies for the precision handloader looking to craft the most precise round possible. The Full length sizing die utilizes RCBS's precision-machined neck bushings to put the perfect amount of neck tension on each round. The titanium nitride coated expander offers silky-smooth case extraction and reduced brass build up on the expander both of which help reduce the amount of stretch on the case neck. Rounding out this exceptional set is the MatchMaster Competition Seating Die. What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. FULL LENGTH SIZING DIE UTILIZES PRECISIONMACHINED NECK BUSHINGS TITANIUM NITRIDE EXPANDER MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

# Safety Instruction Guide for MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS RCBS 223 REMINGTON

## Introduction

Thank you for choosing the RCBS MatchMaster Competition Full Length Bushing Die Set. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read and follow all instructions carefully to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Always handle the die set with care to avoid injury.
- Ensure your work area is clean and organized to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Store the die set in a safe, dry place away from children and pets.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper use of the die set can lead to injury or damage to equipment. Risk of misalignment can cause bullets to be improperly seated, affecting performance and safety.
- **Avoiding Hazards:** Always ensure the die is properly installed and securely tightened before use. Do not exceed recommended loads as specified in your reloading manual. Inspect all components before use for signs of damage or wear. Never place your hands near the bullet seating area while operating the die.
- **Age Specific Warnings:** This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

## Instructions for Installation and Usage

### • Installation:

1. Ensure your reloading press is clean and free from debris.
2. Carefully read the instructions provided with your reloading press for specific setup guidelines.
3. Install the Full Length Sizing Die into the reloading press according to the press manufacturer's instructions.
4. Attach the expander and ensure it is securely fastened.
5. Install the MatchMaster Competition Seating Die in the same manner.

### • Usage:

1. Begin by resizing your brass cases using the Full Length Sizing Die.
2. Use the titanium nitride coated expander for smooth case extraction.
3. Place the bullet in the bullet loading window of the seating die.
4. Raise the case into the die to seat the bullet, ensuring it is properly aligned.
5. Adjust the micrometer seating stem as necessary for desired bullet depth.
6. Inspect each round after seating to ensure proper alignment and seating depth.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away brass cases or other reloading materials in regular trash. Instead, recycle them where

possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your RCBS MatchMaster Competition Full Length Bushing Die Set, please refer to the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the RCBS MatchMaster Competition Full Length Bushing Die Set. Always prioritize safety and stay informed about best practices in ammunition reloading.
