

MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS - RCBS 243 WINCHESTER COMPETITION FULL LENGTH BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The RCBS MatchMaster Competition die sets are the perfect sets of dies for the precision handloader looking to craft the most precise round possible. The Full length sizing die utilizes RCBS's precision-machined neck bushings to put the perfect amount of neck tension on each round. The titanium nitride coated expander offers silky-smooth case extraction and reduced brass build up on the expander both of which help reduce the amount of stretch on the case neck. Rounding out this exceptional set is the MatchMaster Competition Seating Die. What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. FULL LENGTH SIZING DIE UTILIZES PRECISIONMACHINED NECK BUSHINGS TITANIUM NITRIDE EXPANDER MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

Safety Instruction Guide for RCBS MatchMaster Competition Full Length Bushing Die Sets

Introduction

Thank you for choosing the RCBS MatchMaster Competition Full Length Bushing Die Sets. These die sets are designed for precision handloading, ensuring the highest quality rounds. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that your workspace is clean, organized, and free from distractions.
- Keep the die sets out of reach of children and vulnerable individuals.
- Regularly inspect the die sets for any signs of damage or wear.
- Wear appropriate safety gear, including safety glasses, when using this product.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the die sets, read all instructions thoroughly.
- Ensure that you are using the correct caliber and type of dies for your reloading operation.
- Use only recommended components and materials as specified by the manufacturer.
- Avoid overtightening components, which may lead to equipment failure.
- Ensure proper ventilation in your workspace to avoid inhalation of dust or fumes.
- Handle all components, including primers and powder, with care to avoid accidental discharge.
- Do not modify or alter the die sets in any way.

Instructions for Installation and Usage

1. Installation of Die Sets:

- Clean the die sets before installation to remove any manufacturing oils or debris.
- Securely mount the die sets in your reloading press according to the manufacturer's instructions.
- Ensure that the fulllength sizing die is adjusted to the correct height for your specific cartridge.

2. Using the Full Length Sizing Die:

- Insert the case into the die and ensure it is properly aligned.
- Use the precisionmachined neck bushings to achieve the desired neck tension.
- Operate the press smoothly to avoid damaging the die or case.

3. Using the MatchMaster Competition Seating Die:

- Place the bullet in the bullet loading window.
- Raise the case into the die to seat the bullet, ensuring proper alignment.
- Adjust the micrometer for precise bullet seating depth as needed.

4. PostUsage Care:

- Clean the die sets after each use to prevent buildup of brass or other materials.
- Store the die sets in a dry, cool place, away from direct sunlight or moisture.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of hazardous materials in regular waste. Contact local waste management for guidance on proper disposal methods.
- Ensure that all packaging materials are disposed of responsibly and in accordance with recycling guidelines.

Contact Information for Further Support

For any further inquiries or support related to the RCBS MatchMaster Competition Full Length Bushing Die Sets, please refer to the manufacturer's website or contact your local dealer.

By following these safety instructions, you can ensure a safe and effective handloading experience. Thank you for your attention to these important guidelines.
