

MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS - RCBS 6MM DASHER COMPETITION FULL LENGTH BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The RCBS MatchMaster Competition die sets are the perfect sets of dies for the precision handloader looking to craft the most precise round possible. The Full length sizing die utilizes RCBS's precision-machined neck bushings to put the perfect amount of neck tension on each round. The titanium nitride coated expander offers silky-smooth case extraction and reduced brass build up on the expander both of which help reduce the amount of stretch on the case neck. Rounding out this exceptional set is the MatchMaster Competition Seating Die. What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. FULL LENGTH SIZING DIE UTILIZES PRECISIONMACHINED NECK BUSHINGS TITANIUM NITRIDE EXPANDER MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

Safety Instruction Guide for MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SET

Introduction

Thank you for choosing the RCBS MatchMaster Competition Full Length Bushing Die Set for your reloading needs. This guide provides important safety information and instructions to ensure the safe and effective use of the die set. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading components, including dies, in a secure location away from children and unauthorized users.
- Ensure that all tools and equipment are in good working condition before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Do not exceed the recommended load data provided by reliable sources.
- Always verify that the die set is compatible with your specific cartridge type.
- Ensure that the die set is properly adjusted before use to avoid mishaps.
- Avoid distractions while reloading to maintain focus and precision.
- Be cautious of hot surfaces and components during and after the reloading process.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Clean the die set with a suitable solvent to remove any manufacturing residues.

2. Installing the Full Length Sizing Die:

- Insert the Full Length Sizing Die into the reloading press.
- Adjust the die according to the manufacturer's instructions to achieve the desired neck tension.

3. Using the Titanium Nitride Coated Expander:

- Insert the expander into the die to facilitate smooth case extraction.
- Check for any brass buildup and clean as necessary to maintain performance.

4. Seating Bullets:

- Place the bullet in the bullet loading window of the MatchMaster Competition Seating Die.
- Raise the case into the die to seat the bullet accurately.
- Use the micrometer adjustable, freefloating, selfcentering bullet seating stem for precise adjustments.

5. Final Inspection:

- After reloading, inspect each round for quality and safety.
- Ensure that the bullets are seated correctly and that there are no defects in the cartridges.

Disposal Instructions

- Dispose of any unused or defective reloading components according to local regulations.
- Do not throw away spent cartridges in regular trash; instead, follow local guidelines for hazardous materials.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's contact information or visit the official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your RCBS MatchMaster Competition Full Length Bushing Die Set. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention to these important guidelines.
