

MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS - RCBS 300 NORMA MAGNUM COMPETITION FULL LENGTH BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The RCBS MatchMaster Competition die sets are the perfect sets of dies for the precision handloader looking to craft the most precise round possible. The Full length sizing die utilizes RCBS's precision-machined neck bushings to put the perfect amount of neck tension on each round. The titanium nitride coated expander offers silky-smooth case extraction and reduced brass build up on the expander both of which help reduce the amount of stretch on the case neck. Rounding out this exceptional set is the MatchMaster Competition Seating Die. What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. FULL LENGTH SIZING DIE UTILIZES PRECISIONMACHINED NECK BUSHINGS TITANIUM NITRIDE EXPANDER MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

Safety Instruction Guide for MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS RCBS 300 NORMA MAGNUM COMPETITION FULL LENGTH BUSHING DIE SET

Introduction

Thank you for choosing the MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS RCBS 300 NORMA MAGNUM COMPETITION FULL LENGTH BUSHING DIE SET. This product is designed for precision handloading and aims to help you create the most accurate ammunition possible. To ensure your safety and the optimal performance of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always handle reloading materials and equipment with care.
- Ensure that you are using this product in a wellventilated area to minimize exposure to any fumes.
- Keep this product out of reach of children and unauthorized individuals.
- Store all components, including dies and tools, in a secure location.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- Always wear safety glasses when using reloading equipment to protect your eyes from debris.
- Use gloves to protect your hands from sharp edges and potential chemical exposure.
- Do not exceed recommended load limits for your ammunition to prevent dangerous malfunctions.
- Avoid distractions while using this product to maintain focus and ensure accuracy.
- Ensure that you are familiar with the operation of the die set before beginning the reloading process.
- If you experience any difficulties during the reloading process, stop and consult the manufacturer's guidelines or seek professional help.

Instructions for Installation and Usage

1. Setup of the Die Set:

- Ensure the reloading press is securely mounted on a stable surface.
- Install the fulllength sizing die into the press according to the manufacturer's instructions.
- Adjust the die to achieve the desired neck tension using the precisionmachined neck bushings provided.

2. Using the Expander:

- Insert the titanium nitride coated expander into the die.
- Ensure it is properly aligned to facilitate smooth case extraction.

3. Seating the Bullets:

- Place the bullet in the bullet loading window of the MatchMaster Competition Seating Die.
- Raise the case into the die to seat the bullet, ensuring that it is properly aligned.
- Utilize the micrometer adjustable, freefloating, selfcentering bullet seating stem to achieve the desired seating depth.

4. Final Checks:

- Inspect each completed round for consistency and quality.
- Store completed rounds in a secure and organized manner.

Disposal Instructions

- Dispose of any unused or excess materials in accordance with local regulations.
- Do not dispose of reloading components in regular household waste.
- Contact local recycling centers or hazardous waste facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information included with your product packaging. It is essential to consult with professionals if you have any doubts or concerns about the use of this product.

Thank you for your attention to these safety instructions. Following these guidelines will help ensure a safe and enjoyable reloading experience.
