

MATCHMASTER COMPETITION FULL LENGTH BUSHING DIE SETS - RCBS 6.5MM PRC COMPETITION FULL LENGTH BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The RCBS MatchMaster Competition die sets are the perfect sets of dies for the precision handloader looking to craft the most precise round possible. The Full length sizing die utilizes RCBS's precision-machined neck bushings to put the perfect amount of neck tension on each round. The titanium nitride coated expander offers silky-smooth case extraction and reduced brass build up on the expander both of which help reduce the amount of stretch on the case neck. Rounding out this exceptional set is the MatchMaster Competition Seating Die. What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. FULL LENGTH SIZING DIE UTILIZES PRECISIONMACHINED NECK BUSHINGS TITANIUM NITRIDE EXPANDER MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

Safety Instructions for RCBS MatchMaster Competition Full Length Bushing Die Sets

Introduction

Thank you for choosing the RCBS MatchMaster Competition Full Length Bushing Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand all instructions before using the die set.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the die set by following all instructions. This product is designed for precision handloading and should be used responsibly.
- **Enhanced Recalls:** Be aware of recall notices. In the event of a product recall, follow the instructions provided for returning or disposing of the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals to avoid accidents.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Stay informed about safety updates and potential hazards through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before using the die set.
- **Use Protective Gear:** Wear safety glasses and gloves when handling reloading equipment to protect against potential hazards.
- **Check Equipment:** Inspect all components of the die set for damage or wear before use. Do not use damaged parts.
- **Work in a Safe Environment:** Ensure your workspace is clean, welllit, and free from distractions.
- **Avoid Overloading:** Do not exceed recommended load limits when using the die set. Follow load data provided by reliable sources.
- **Store Safely:** Store the die set in a dry and secure location, away from children and pets.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Gather all necessary components, including the die set, shell holder, and case lube.

2. Installation:

- Install the fulllength sizing die into your reloading press according to the press manufacturer's instructions.
- Attach the appropriate shell holder to the ram of the press.

3. Adjusting the Die:

- Use the provided instructions to adjust the die for the desired neck tension using the precisionmachined neck bushings.
- Ensure that the titanium nitride expander is properly aligned for smooth case extraction.

4. Seating Bullets:

- Place a bullet in the bullet loading window of the MatchMaster Competition Seating Die.
- Raise the case into the die to seat the bullet without misalignment or injury to fingers.

5. Final Checks:

- After reloading, inspect each round for proper seating and overall quality.
- Store completed rounds in a safe and organized manner.

Disposal Instructions

- Dispose of any damaged or unusable components of the die set in accordance with local regulations.
- Do not dispose of the die set or any parts in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RCBS MatchMaster Competition Full Length Bushing Die Set, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your RCBS MatchMaster Competition Full Length Bushing Die Set. Thank you for your attention to safety!
