

MATCHMASTER COMPETITION NECK BUSHING DIE SETS - RCBS 308 WINCHESTER COMPETITON NECK BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The RCBS MatchMaster Competition die sets are the perfect sets of dies for the precision handloader looking to craft the most precise round possible. The neck sizing die utilizes RCBS's precision-machined neck bushings to put the perfect amount of neck tension on each round while not changing the body dimensions of fired cases. The titanium nitride coated expander offers silky-smooth case extraction and reduced brass build up on the expander both of which help reduce the amount of stretch on the case neck. Rounding out this exceptional set is the MatchMaster Competition Seating Die. What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. NECK SIZING DIE UTILIZES PRECISION-MACHINED NECK BUSHINGS TITANIUM NITRIDE EXPANDER MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

Safety Instruction Guide for RCBS MatchMaster Competition Neck Bushing Die Sets

Introduction

Thank you for choosing the RCBS MatchMaster Competition Neck Bushing Die Sets. This guide provides essential safety instructions to ensure safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the die sets are used only for their intended purpose.
- Always wear appropriate safety gear, including safety glasses, when handling reloading equipment.
- Keep the die sets and all reloading components out of reach of children and unauthorized users.
- Inspect the die sets regularly for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding reloading and the use of firearms.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling of reloading equipment can lead to accidents or injuries.
 - Using the die sets with incompatible cartridges may result in malfunction or damage.
- **Avoiding Hazards:**
 - Always verify that the cartridge you are using is compatible with the die set.
 - Do not exceed recommended load limits when reloading ammunition.
 - Ensure that your workspace is clean and free from distractions while reloading.
 - Never leave reloading equipment unattended while in use.
 - Use the die sets in a wellventilated area to avoid inhalation of any dust or particles.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading press is securely mounted and stable.
 2. Carefully follow the manufacturer's instructions to install the neck sizing die and seating die.
 3. Adjust the die settings according to your specific reloading requirements.
- **Usage:**
 - For neck sizing:
 - Insert the appropriate neck bushing into the neck sizing die.
 - Place a fired case into the shell holder and raise the ram to size the neck.
 - For bullet seating:
 - Place a bullet in the seating window of the MatchMaster Competition Seating Die.
 - Raise the case into the die to seat the bullet accurately.
 - Use the micrometer adjustable seating stem to achieve the desired bullet seating depth.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Recycle metal and brass components whenever possible.
- Do not dispose of any components in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the RCBS MatchMaster Competition Neck Bushing Die Sets, please refer to your local RCBS distributor or authorized dealer for assistance.

This guide is designed to help you use your RCBS MatchMaster Competition Neck Bushing Die Sets safely and effectively. Your safety is our priority, and we appreciate your attention to these guidelines.
