

# MATCHMASTER COMPETITION NECK BUSHING DIE SETS - RCBS

## 6.5MM CREEDMOOR COMPETITON NECK BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The RCBS MatchMaster Competition die sets are the perfect sets of dies for the precision handloader looking to craft the most precise round possible. The neck sizing die utilizes RCBS's precision-machined neck bushings to put the perfect amount of neck tension on each round while not changing the body dimensions of fired cases. The titanium nitride coated expander offers silky-smooth case extraction and reduced brass build up on the expander both of which help reduce the amount of stretch on the case neck. Rounding out this exceptional set is the MatchMaster Competition Seating Die. What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. NECK SIZING DIE UTILIZES PRECISION-MACHINED NECK BUSHINGS TITANIUM NITRIDE EXPANDER MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

# Safety Instruction Guide for RCBS MatchMaster Competition Neck Bushing Die Sets

## Introduction

Thank you for choosing the RCBS MatchMaster Competition Neck Bushing Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die set may contain sharp edges or components that can cause injury.
  - Improper use may lead to misalignment, resulting in dangerous situations during reloading.
- **Avoiding Hazards:**
  - Always ensure that the die set is properly installed and secured before use.
  - Do not exceed the recommended pressures and specifications for reloading.
  - Be cautious of hot surfaces and materials during and after the reloading process.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older. Keep away from children.

## Instructions for Installation and Usage

1. **Installation:**
  - Ensure your reloading press is clean and in good working condition.
  - Carefully follow the manufacturer's instructions to install the neck sizing die and seating die.
  - Use the appropriate tools to secure the dies firmly in place.
2. **Usage:**
  - Start by preparing your brass cases according to standard reloading practices.
  - For neck sizing, insert the case into the neck sizing die, using the precisionmachined neck bushings for optimal neck tension.
  - Use the titanium nitride expander to assist with case extraction and minimize brass buildup.
  - For bullet seating, place the bullet in the bullet loading window and raise the case into the die to seat the bullet.
  - Adjust the micrometer for precise bullet seating depth as needed.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or customer service resources provided with your product.

Thank you for prioritizing safety while using the RCBS MatchMaster Competition Neck Bushing Die Set. Enjoy your reloading experience!
