

# MATCHMASTER COMPETITION SEATER DIES - RCBS 6MM BR SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

# Safety Instruction Guide for MatchMaster Competition Seater Die

## Introduction

Thank you for choosing the MatchMaster Competition Seater Die. This product is designed for precision bullet seating in reloading applications. To ensure your safety and the effective use of this product, please follow the guidelines outlined in this manual.

## General Safety Guidelines

- Ensure you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling ammunition components.
- Keep the workspace clean and organized to avoid accidents.
- Store the die in a safe and dry place when not in use.
- Regularly check for any signs of wear or damage to the die and other reloading components.
- Follow all local laws and regulations regarding ammunition reloading and usage.

## Specific Safety Precautions for Use

- **Avoid Contact with Moving Parts:** Be cautious of any moving parts during operation to prevent injury.
- **Do Not Force Components:** If the die does not work smoothly, do not force it. Check for obstructions or misalignment.
- **Use Only Recommended Components:** Only use bullets and cases that are compatible with the 6 mm BR cartridge.
- **Monitor for Overheating:** If the die becomes excessively hot during use, allow it to cool down before continuing.
- **Keep Out of Reach of Children:** This product is not intended for use by individuals under the age of 18. Store it out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the MatchMaster Competition Seater Die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

### 2. Usage:

- Place the bullet in the bullet loading window of the die.
- Raise the case into the die to seat the bullet. Ensure that the bullet is properly aligned.
- Adjust the micrometer seating stem as needed for desired bullet depth.
- After seating, remove the completed cartridge and inspect it for proper seating.

## Disposal Instructions

- Dispose of any spent cartridges and reloading components according to local regulations.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods for metal and other materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the MatchMaster Competition Seater Die, please refer to the manufacturer's website or contact their customer service for assistance.
