

# MATCHMASTER COMPETITION SEATER DIES - RCBS 338 LAPUA MAGNUM SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

# MatchMaster Competition Seater Die Safety Instructions

## Introduction

Thank you for choosing the MatchMaster Competition Seater Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the die. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the MatchMaster Competition Seater Die is used only for its intended purpose: seating bullets for reloading .338 Lapua Magnum cartridges.
- Always follow the manufacturer's instructions and guidelines when using the die.
- Store the die in a safe and dry place, away from children and unauthorized users.
- Regularly inspect the die for any signs of damage or wear. Do not use a damaged die.
- Use appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes while reloading.
- Be aware of your surroundings and ensure that children and pets are at a safe distance while reloading.

## Specific Safety Precautions for Use

- Always ensure that the bullet is properly placed in the bullet loading window before raising the case into the die.
- Avoid placing your fingers near the die's moving parts while operating.
- Do not force the case into the die; ensure it is aligned properly to prevent misalignment.
- Be cautious of any debris or foreign objects that may interfere with the die's operation.
- If the die becomes stuck or jammed, do not attempt to force it free. Follow the manufacturer's troubleshooting guidelines.
- Use the micrometer adjustable feature carefully to ensure accurate bullet seating without exceeding the recommended specifications.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the MatchMaster Competition Seater Die to your reloading press according to the press manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during use.

### 2. Usage:

- Start by selecting the appropriate .338 Lapua Magnum cartridges for reloading.
- Place the bullet into the bullet loading window of the die.
- Raise the case into the die slowly and steadily to seat the bullet.
- Adjust the micrometer seating stem as needed for precision seating.
- After seating the bullet, lower the case and remove it from the die.
- Inspect the seated bullet for proper alignment and depth.

## Disposal Instructions

- Dispose of any unused or damaged components of the MatchMaster Competition Seater Die in accordance with local regulations.

- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any inquiries or further assistance regarding the MatchMaster Competition Seater Die, please consult the manufacturer's website or your point of purchase for support.

By following these safety instructions, you can ensure a safe and effective reloading experience with the MatchMaster Competition Seater Die. Always prioritize safety and stay informed about best practices in reloading.
