

# MATCHMASTER COMPETITION SEATER DIES - RCBS 300 NORMA MAGNUM SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

## **300 NORMA MAGNUM SEATER DIE Safety**

### **Instruction Guide**

#### **Introduction**

Thank you for choosing the MatchMaster Competition Seater Die. This product is designed to provide you with the highest level of performance and safety when reloading ammunition. Please read and follow these safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

#### **General Safety Guidelines**

- Ensure that you are familiar with the basic principles of reloading ammunition before using this product.
- Always use the MatchMaster Seater Die in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect your equipment for wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for product recalls on the EU Safety Gate platform to stay informed about safety updates.

#### **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Ensure that the work area is welllit and free from distractions.
- Do not exceed the recommended load limits for your specific cartridge.
- Always doublecheck that the bullet is properly seated before proceeding with further reloading steps.
- Avoid placing fingers near the bullet seating window during operation to prevent injury.
- If you encounter any difficulties, stop using the die and consult the manual or seek professional assistance.

#### **Instructions for Installation and Usage**

##### **1. Installation:**

- Ensure that your reloading press is securely mounted and stable.
- Screw the MatchMaster Seater Die into the press, ensuring it is tightened properly without overtightening.
- Set the die according to the manufacturer's specifications for your specific cartridge (300 Norma Magnum).

##### **2. Usage:**

- Place the bullet into the bullet loading window of the die.
- Raise the case into the die to seat the bullet. Ensure that your fingers are clear of the bullet seating window during this process.
- Adjust the micrometer for precise bullet seating depth as needed.
- After seating, remove the completed cartridge from the die and inspect it for proper seating.

#### **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Follow guidelines for hazardous waste

disposal as necessary.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your MatchMaster Competition Seater Die. Thank you for your attention to safety and compliance with the EU GPSR.
