

RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 8MM, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instructions for RIFLE BRONZE BORE BRUSH

Introduction

Thank you for choosing the Sinclair International 8mm Rifle Bronze Bore Brush. This product is designed to clean your rifle's barrel effectively and safely. Please read and follow these safety instructions to ensure proper use and maintenance of the bore brush.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm and caliber (8 mm / .323).
- Always handle firearms in a safe manner and follow all applicable laws and regulations.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of damage or wear.
- Use the bore brush only for its intended purpose to avoid accidents or injuries.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the bore brush.
- Use the bore brush in a wellventilated area to avoid inhalation of any debris.
- Wear safety glasses to protect your eyes from potential splashes or debris.
- Do not use excessive force when scrubbing the barrel to avoid damage.
- If the bore brush becomes stuck in the barrel, do not force it out. Seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

2. Installation:

- Attach the bore brush securely to the cleaning rod.
- Ensure that the closed loop on the end of the brush is properly connected to the cleaning rod.

3. Usage:

- Apply cleaning solvent to the bore brush before insertion into the barrel.
- Insert the bore brush into the barrel from the chamber end, pushing it through to the muzzle.
- Pull the brush back through the barrel, scrubbing the interior as you go.
- Repeat the process as necessary for thorough cleaning.
- After use, clean the bore brush with solvent and store it in a dry place.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- If the brush is damaged or worn out, do not attempt to repair it. Dispose of it responsibly.

Contact Information for Further Support

For any questions or further assistance regarding the use of the RIFLE BRONZE BORE BRUSH, please contact the manufacturer or your retailer. Ensure that you have the product details and any relevant information ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective cleaning process for your rifle. Thank you for prioritizing safety and proper usage of your Sinclair International products.
