

RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 375 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instruction Guide for RIFLE BRONZE BORE BRUSH

Introduction

Thank you for choosing the RIFLE BRONZE BORE BRUSH from Sinclair International. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before using the bore brush.

General Safety Guidelines

- Always handle the bore brush with care to avoid injury.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush regularly for any signs of wear or damage before use.
- Do not use the bore brush for any purpose other than its intended use.
- If you experience any discomfort or adverse effects while using the bore brush, stop using it immediately and seek medical advice.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Always wear appropriate eye protection when cleaning your firearm.
- Use the bore brush in a wellventilated area to avoid inhaling any debris or cleaning agents.
- Do not force the bore brush into the barrel; it should fit snugly but not require excessive force.
- Avoid using abrasive materials or harsh chemicals that may damage the bore brush or the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and in a safe condition.
- Gather necessary cleaning supplies, including cleaning solvent and patches.

2. Using the Bore Brush:

- Attach the bore brush to a cleaning rod.
- Apply a suitable cleaning solvent to the bore brush if desired.
- Insert the bore brush into the barrel from the chamber end, ensuring it is aligned properly.
- Gently push the brush through the barrel and pull it back out. Repeat this process several times.
- After brushing, use a cleaning patch to remove any debris and solvent from the barrel.

3. PostUse Care:

- Clean the bore brush with warm water and mild soap after use to remove any residue.
- Allow the bore brush to dry completely before storing it in a safe place.

Disposal Instructions

- Dispose of the bore brush responsibly. If it is damaged or worn out, it should be discarded in accordance with local waste disposal regulations.
- Do not dispose of the bore brush in regular household waste if it is made from materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the use of the RIFLE BRONZE BORE BRUSH, please refer to the official Sinclair International website or contact their customer service team directly for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your RIFLE BRONZE BORE BRUSH. Thank you for your attention to safety and for choosing Sinclair International products.
