

BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE BORE BRUSH, 41 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze and nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instruction Guide for BRONZE BORE BRUSH SINCLAIR INTERNATIONAL BRONZE BORE BRUSH, 41 CAL

Introduction

Thank you for choosing the BRONZE BORE BRUSH from Sinclair International. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully to understand how to handle, use, and dispose of the bore brush properly.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always handle the bore brush with care to avoid injury.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and report the problem.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when using the bore brush, such as safety glasses and gloves.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not force the bore brush into the barrel; it should fit snugly but not require excessive force.
- Avoid using the bore brush on other materials or surfaces that are not compatible with bronze or nylon.
- Do not leave the bore brush unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded.
- Gather all necessary cleaning supplies, including cleaning solvent and patches.

2. Using the Bore Brush:

- Attach the bore brush to a cleaning rod that fits the caliber size of your firearm (41 Caliber).
- Apply a small amount of cleaning solvent to the bore brush for effective cleaning.
- Insert the bore brush into the barrel from the chamber end, ensuring that it fits snugly.
- Pull the bore brush through the barrel in a smooth motion. Repeat this process several times to ensure thorough cleaning.
- After cleaning, use a clean patch to remove any remaining solvent and debris from the barrel.

3. PostUse:

- Clean the bore brush with warm water and mild soap to remove any residue.
- Allow the bore brush to dry completely before storing it in a safe place.

Disposal Instructions

- Dispose of the bore brush in accordance with local waste disposal regulations.
- If the bore brush is damaged or worn beyond use, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding the product or safety concerns, please reach out to the designated EU contact point provided with your purchase.

Important Note: Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Report any unsafe products or incidents to the appropriate authorities to help ensure consumer safety. Thank you for prioritizing safety while using the BRONZE BORE BRUSH.
