

BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE BORE BRUSH, 45 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze and nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instruction Guide for BRONZE BORE BRUSH BRUSH SINCLAIR INTERNATIONAL 45 CALIBER BRONZE BORE BRUSH

Introduction

Thank you for choosing the BRONZE BORE BRUSH from Sinclair International. This guide provides essential safety information and instructions for the proper use of this product. Please read this guide carefully to ensure safe operation and maintenance.

General Safety Guidelines

- Always ensure that the bore brush is suitable for your firearm's caliber (45 Caliber, .451.454).
- Inspect the bore brush before each use for any signs of damage or wear.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Use the bore brush only for its intended purpose, which is cleaning firearm barrels.
- Follow all local laws and regulations regarding firearm maintenance and safety.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the bore brush.
- Avoid using excessive force when scrubbing the barrel to prevent damage.
- Do not use the bore brush with solvents or cleaning agents not recommended by the firearm manufacturer.
- Wear safety goggles to protect your eyes from debris while cleaning.
- Use gloves to protect your hands from sharp edges and cleaning solutions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and any recommended cleaning solutions.

2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Ensure that the closed loop on the end of the bore brush is properly connected to the cleaning rod.

3. Usage:

- Insert the bore brush into the barrel from the chamber end or muzzle end, depending on the firearm type.
- Gently push the brush through the barrel, using a smooth and steady motion.
- Pull the brush back through the barrel to remove debris. Repeat as necessary until the barrel is clean.
- After cleaning, remove the bore brush and clean it according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any used cleaning materials, including the bore brush if it is damaged or worn, in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact the appropriate local authorities or consult the manufacturer's website for support and additional information.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure safe and effective use of your BRONZE BORE BRUSH.
