

RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 50 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instruction Guide for RIFLE BRONZE BORE BRUSH SINCLAIR INTERNATIONAL 50 CALIBER RIFLE BRONZE BORE BRUSH

Introduction

Thank you for choosing the Sinclair International 50 Caliber Rifle Bronze Bore Brush. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Always handle the bore brush with care to avoid injury.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any damage or wear.
- Ensure that the bore brush is used only for its intended purpose: cleaning rifle bores.
- Do not use the bore brush if it appears damaged or if any bristles are missing.
- Always follow local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Use the bore brush in a wellventilated area to avoid inhaling any debris or cleaning solvents.
- Wear protective eyewear to shield your eyes from potential splashes of cleaning solvent or debris.
- Avoid using excessive force while cleaning to prevent damage to the barrel or bore brush.
- Do not leave the bore brush unattended while in use.
- Store the bore brush in a safe and dry location after use to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvent and a cleaning rod.

2. Attaching the Bore Brush:

- Screw the bore brush onto the cleaning rod securely.
- Ensure that the bore brush is properly aligned to avoid crossthreading.

3. Cleaning the Bore:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the barrel from the chamber end (if applicable).
- Gently push the bore brush through the barrel and pull it back out.
- Repeat this process several times, applying additional solvent as needed.
- After cleaning, use a dry patch to remove any excess solvent and debris.

4. PostCleaning:

- Once cleaning is complete, inspect the bore brush for wear or damage.
- Store the bore brush in a safe, dry place.

Disposal Instructions

- Dispose of the bore brush in accordance with local waste disposal regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or contains hazardous materials.
- Check with local authorities for specific disposal instructions for cleaning solvents and materials used in conjunction with the bore brush.

Contact Information for Further Support

For any questions or concerns regarding the use of the Sinclair International 50 Caliber Rifle Bronze Bore Brush, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair International bore brush. Thank you for your attention to safety.
