

# SINCLAIR NYLON RIFLE BRUSH - SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 45 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifle's bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

## Attributes

- Name: [SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 45 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000107
- Mfr. No.: B458N
- Caliber: 45 Caliber (.451-.454)
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm

# Safety Instruction Guide for Sinclair Nylon Rifle Brush

## Introduction

Thank you for choosing the Sinclair Nylon Rifle Brush. This guide provides essential safety instructions and usage information to ensure safe and effective use of the product. Please read this document carefully before using the brush.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a cleaning tool for firearms.
- Keep the brush out of reach of children and vulnerable individuals.
- Inspect the brush before each use to ensure it is in good condition. Do not use if damaged.
- Do not use the brush with excessive force, as this may damage both the brush and the firearm.
- Store the brush in a dry place to prevent degradation of materials.

## Specific Safety Precautions for Use

- Always wear safety goggles when cleaning firearms to protect your eyes from debris.
- Ensure that the firearm is completely unloaded before using the brush.
- Avoid using the brush with ammonia or oilbased cleaners that are not compatible with nylon.
- Do not use the brush on firearms that have a bore diameter smaller than the brush size.
- Follow the manufacturer's instructions for cleaning and maintenance of your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the Sinclair Nylon Rifle Brush and compatible cleaning solvents.

### 2. Using the Brush:

- Attach the brush to a cleaning rod with an 832 male thread, ensuring a secure fit.
- Insert the brush into the bore of the firearm, starting from the chamber end.
- Gently push the brush through the bore and pull it back out, repeating the process as needed for effective cleaning.
- After use, clean the brush with a suitable solvent and allow it to dry completely.

### 3. PostUsage:

- Store the brush in a safe, dry place, away from children and pets.
- Regularly check the brush for wear and replace it if bristles are damaged or worn down.

## Disposal Instructions

- Dispose of used brushes in accordance with local waste disposal regulations.
- Do not dispose of the brush in a manner that could harm the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the Sinclair Nylon Rifle Brush, please contact your local retailer or the manufacturer's support team.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair Nylon Rifle Brush. Always prioritize safety and proper handling to maintain the integrity of your firearm and personal safety. Thank you for your attention to these guidelines.
