

# BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE BORE BRUSH, 22 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze and nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

# Safety Instructions for BRONZE BORE BRUSH SINCLAIR INTERNATIONAL 22 CALIBER BRONZE BORE BRUSH

## Introduction

Thank you for choosing the BRONZE BORE BRUSH from Sinclair International. This product is designed to provide effective cleaning for your firearm's barrel. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the bore brush is used only for its intended purpose – cleaning the bore of firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for wear or damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use eye protection when cleaning firearms to prevent injury from debris.
- Avoid using excessive force when cleaning to prevent damage to the bore or brush.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Do not use the bore brush in combination with solvents or cleaning agents that are not recommended by the firearm manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary materials: bore brush, cleaning rod, and any recommended cleaning solvents.

### 2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Ensure that the brush is properly aligned with the bore.

### 3. Usage:

- Insert the bore brush into the barrel from the chamber end (if applicable) or from the muzzle end.
- Use a smooth, steady motion to scrub the bore. Do not force the brush.
- Remove the brush after several passes, and inspect for debris.
- Clean the bore with a solvent if necessary, following the solvent manufacturer's instructions.

### 4. PostUsage:

- Clean the bore brush after use and store it in a dry place.
- Ensure that the brush is stored out of reach of children.

## **Disposal Instructions**

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is contaminated with hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the BRONZE BORE BRUSH, please refer to the official Sinclair International customer support channels or check the product packaging for further details.

By following these safety instructions, you can ensure a safe and effective experience while using the BRONZE BORE BRUSH from Sinclair International. Thank you for prioritizing safety in your firearm care routine.
