

RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 6.5MM, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

RIFLE BRONZE BORE BRUSH SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Sinclair International 6.5mm Rifle Bronze Bore Brush. This guide provides essential safety instructions to ensure the safe use of your bore brush. Please read and follow these instructions carefully to avoid any potential hazards.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Store the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of damage or wear.
- Do not use the bore brush if it is damaged or shows excessive wear.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the bore brush.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended bore diameter when using the brush.
- Use the bore brush only for its intended purpose; do not use it for cleaning any other surfaces or materials.
- Avoid applying excessive force while using the bore brush to prevent damage to the barrel.
- Be cautious of cleaning solvents and chemicals; ensure proper ventilation and follow the manufacturer's safety instructions for those products.
- Keep fingers and other body parts away from the bore brush while in use to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction before starting any cleaning process.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Ensure that the brush is fully seated and that there is no play between the brush and the rod.

3. Usage:

- Insert the bore brush into the barrel from the chamber end (if applicable).
- Gently push the brush through the barrel, using a smooth, steady motion.
- Pull the brush back out of the barrel and repeat the process as necessary.
- After cleaning, remove the bore brush from the cleaning rod and clean it according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in household waste if it is considered hazardous.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product use, please reach out to the manufacturer's customer support. Ensure you have the product details available when you contact them for assistance.

Thank you for your attention to these safety instructions. Enjoy safe and effective cleaning with your Sinclair International 6.5mm Rifle Bronze Bore Brush.
