

RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 30 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instruction Guide for RIFLE BRONZE BORE BRUSH

Introduction

Thank you for choosing the RIFLE BRONZE BORE BRUSH from Sinclair International. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire guide carefully before using the bore brush.

General Safety Guidelines

- Ensure that the bore brush is suitable for your specific firearm caliber (30 Caliber / .308).
- Always handle the bore brush with care to prevent injury.
- Store the bore brush in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for wear or damage before each use. Do not use if the brush is damaged.
- Follow all local laws and regulations regarding the use and maintenance of firearms and related accessories.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before cleaning or using the bore brush.
- Use the bore brush only for its intended purpose: cleaning the bore of firearms.
- Avoid using excessive force when scrubbing the barrel to prevent damage to the firearm.
- Wear appropriate safety gear, such as safety glasses, to protect your eyes from debris.
- If you experience any discomfort or unusual sensations while using the bore brush, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvent, patches, and a cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Ensure that the closed loop on the end of the bore brush is properly fixed to avoid detachment during use.

3. Usage:

- Insert the bore brush into the barrel from the chamber end.
- Gently push the brush through the barrel, using a smooth and consistent motion.
- Pull the brush back through the barrel to remove any fouling. Repeat this process as necessary.
- After cleaning, remove the bore brush from the cleaning rod and clean the brush according to the manufacturer's instructions.

4. PostUsage Care:

- Clean the bore brush after each use to maintain its effectiveness and longevity.
- Store the bore brush in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of the bore brush responsibly once it has reached the end of its usable life.
- Do not dispose of the bore brush in regular household waste. Check local regulations for proper disposal methods for cleaning tools and accessories.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the RIFLE BRONZE BORE BRUSH, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
