

# RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 22 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

# Safety Instruction Guide for RIFLE BRONZE BORE BRUSH

## Introduction

Thank you for choosing the Sinclair International 22 Caliber Rifle Bronze Bore Brush. This guide provides important safety instructions and precautions to ensure the safe and effective use of this product. Please read this document carefully before using the bore brush.

## General Safety Guidelines

- Always use the bore brush as intended and follow the instructions provided in this guide.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush regularly for any signs of wear or damage. Do not use if damaged.
- Store the bore brush in a cool, dry place to prevent deterioration.
- Report any unsafe products or accidents to local authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the bore brush is suitable for your specific rifle caliber (22 Caliber .223.224).
- Use protective eyewear when cleaning the bore to avoid debris entering the eyes.
- Do not apply excessive force while using the bore brush, as this may damage the brush or the barrel.
- Avoid using the bore brush on a hot barrel to prevent burns or damage to the brush.
- Always clean the bore in a wellventilated area to avoid inhaling any cleaning solvents or debris.
- Follow the manufacturer's recommendations for cleaning solvents and other products used in conjunction with the bore brush.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and the safety is engaged.
- Gather all necessary cleaning supplies, including the bore brush and cleaning solvent.

### 2. Installation:

- Attach the bore brush to a cleaning rod that is compatible with a 22 caliber rifle.
- Ensure the brush is securely fastened to prevent it from detaching during use.

### 3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the rifle barrel from the chamber end (if applicable).
- Gently push the brush through the barrel and pull it back out. Repeat this process several times, ensuring that the brush scrubs the entire length of the bore.
- After cleaning, remove the brush and clean any remaining solvent from the barrel with a clean patch.

### 4. PostUsage:

- Clean the bore brush with solvent and allow it to dry before storage.
- Store the bore brush in its designated place to prevent damage or contamination.

## **Disposal Instructions**

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or contains hazardous materials.
- Check local guidelines for specific disposal instructions for cleaning solvents and other related materials.

## **Contact Information for Further Support**

For questions or concerns regarding the use of the Sinclair International 22 Caliber Rifle Bronze Bore Brush, please refer to the manufacturer's contact information provided on the packaging or official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Sinclair International Bore Brush responsibly!
