

BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE BORE BRUSH, 17 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze and nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instruction Guide for BRONZE BORE BRUSH SINCLAIR INTERNATIONAL 17 CALIBER BRONZE BORE BRUSH

Introduction

Thank you for choosing the BRONZE BORE BRUSH from Sinclair International. This guide provides essential safety information to ensure the safe and effective use of your bore brush. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to clean firearm bores.
- Always handle the bore brush with care to avoid injury.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for any signs of wear or damage before use.
- Do not use the bore brush if it appears damaged or if the bristles are worn out.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the bore brush.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not apply excessive force when using the bore brush to avoid damaging the barrel.
- Use the bore brush with a compatible cleaning rod to ensure proper fit and function.
- Avoid using the bore brush on nonmetal surfaces to prevent damage.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe location.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

2. Installation

- Attach the bore brush securely to the cleaning rod.
- Ensure that the connection is tight to prevent the brush from detaching during use.

3. Usage

- Insert the bore brush into the barrel from the chamber end (if applicable) or the muzzle end.
- Gently push the brush through the barrel, using a smooth and steady motion.
- Remove the brush from the barrel and inspect it for debris.
- Repeat the process as necessary, applying cleaning solvent as needed.

4. Post Use Care

- Clean the bore brush with solvent and warm water after use.
- Allow the brush to dry completely before storage.

- Store the bore brush in a cool, dry place, away from direct sunlight.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is deemed hazardous.
- Check with local waste management authorities for proper disposal guidelines.

Contact Information for Further Support

For any inquiries related to safety or product performance, please contact the manufacturer or your local distributor. Ensure you have the product name and model number ready for reference.

By following these safety instructions, you can ensure the safe and effective use of your BRONZE BORE BRUSH. Thank you for your attention to these guidelines.
